Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Claims 1, 14, and 19 recite, inter alia, a method and apparatus for providing/reading a portion of data in response to a counter value being reached and controlling the data rate via 1) adjusting the counter value based on the a running average which is the difference between the actual ad desired bit rate or 2) leakage rate controller controlling the data rate read from the memory and a data rate monitor to determine the current data rate and the counter providing the read signal to access stored data in memory.

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kim Huynh whose telephone number is (703) 308-1678.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
